The Kenwood School District has elected to become subject to the California Uniform Public Construction Cost Accounting Act (CUPCCAA). The District invites licensed contractors and vendors to submit the name of their firm for inclusion on the Kenwood School District's CUPCCAA List for the period beginning November 1, 2026 and ending December 31, 2027.

Qualified contractors and vendors submitting proper documentation will be included in the District's CUPCCAA list for the period noted above. This list will be used to procure services on an informal bid basis for contracts valued at less than $220,000.

Please be advised that this does not automatically guarantee that you will be informed of, or included in all bid requests. Notices will be sent out for the category of work being bid. The District may also announce project opportunities in designated trade journals.

Contractors and vendors interested in being placed on the District's CUPCCAA List for the period noted above must complete and submit the District's application to be included on the District's CUPCCAA List.

Interested contractors should submit their request to be included on the list to:
