May 20, 2026

Dear Kenwood Families,

As we approach the final days of the school year, I want to take a moment to reflect on the incredible journey we have shared. This year has been filled with remarkable growth, achievements, unforgettable memories as well as some profound sadness. I am immensely proud of our students for their hard work, resilience, and the kindness they have shown to one another every single day. From the classroom to the playground, our Cougars have truly shined and demonstrated what makes our school community so special.

This summer will contain a number of changes here at Kenwood School. We are close to finding an Office Secretary to fill Mrs. Borget's shoes. Mrs. Smith has done a fantastic job helping us through this transition and I want to thank her for everything that she has done for us during a difficult time.

We will be seeing an old face much more often next year as Mrs. Ehn is back from her two year project with SCOE and will continue to be our 2nd grade teacher 3 days a week. She will also be teaching STEAM to all of our students the other 2 days a week. Her new partner teacher will be Karla Hess. Mrs. Hess comes to us from the Rincon Valley Union School District and has experience both in the lower grades as well as with a job-share teaching partner. We are super excited to introduce Mrs. Hess to the community.

Meanwhile, Mrs. McCulloch will be welcoming her new baby this July and has eagerly accepted the Art Teacher position. Mrs. McCulloch looks forward to spending as much time as possible with her family while still working with our Kenwood Students.

Anne Kopache has decided to tackle the next chapter of her life as she retires and aspires to be a world traveler. Mrs. Kopache has been our Chief Business Officer for 19 years and has been instrumental in maintaining the fiscal health of our district. She will be missed. Luckily we have a wonderful replacement in Mrs. Rachel Handley. Mrs. Handley is most recently from Harmony School District but has also worked in the Guerneville School District. Her unique skill sets are perfect for the Kenwood School District.

Lisa Clawson has also announced her departure from Kenwood School. Not only did her daughter attend school here, she has worked as an instructional aide for nine fantastic years. Her “Go Get Em” attitude, caring, and sense of humor are going to be missed. Mrs. Clawson is always a favorite with the students and staff alike!

Lastly we want to extend our deepest gratitude to you, our families, for your unwavering support and partnership throughout the year(s). Education is a collaborative effort, and your involvement has been vital to our students' success. For our 6th grade families that are having their youngest child move to Middle School next year, we will miss you! We have been together for many years and it will be hard to say goodbye.

As we head into the break, we wish everyone a safe, relaxing, and wonderful summer filled with joy and adventure. We look forward to welcoming you back for another fantastic year on August 19th!

Go Cougars!

Nate Myers

Let The Fun Continue!

Couldn't make LCA this year, but still love the gatherings, the laughter, and all the good times we share at the parent parties and one-of-a-kind experiences?

Here's your **final chance** to be part of the fun.
We've opened up a special opportunity to grab a few remaining experiences and favorites from the night, so you can still join in and support our amazing Kenwood School community.

From unforgettable parties to one-of-a-kind experiences, there's **something special** waiting for you.

Every purchase helps fund the enrichment programs our kids love and benefit from every day.

Don't miss out one more time...
take a peek, place your bid,
and **be part of the magic.**
