Committee members will be appointed by the Board of Trustees to serve an initial two-year term. A maximum of three consecutive, two-year terms is allowed under the law.

How will the Committee be selected?

The Board of Trustees will select the Committee taking into account the applicant's professional and/or practical experience, the applicant's recognition in or contribution to his/her community, the diversity of experience on the Committee as a whole, and representation on the Committee

from various communities within the district. The Board is expected to appoint the new members of the Committee by the end of February 2023.
