

Kenwood School Newsletter

Principally Speaking

January 24, 2018

Since its inception in the spring of 1999, the Kenwood Education Foundation has been instrumental in funding programs for our children that help us to provide a well rounded educational program beyond the core curriculum areas.

Important programs such as Art, Music, Physical Education, Library, and STEAM are among the many important components of our offerings to our students that have been funded through the hard work of the Kenwood Education Foundation. In addition, the Foundation assists by supporting our classroom assistants, Cougar Club, Preschool and our wonderful School Lunch program.

Every year, our Foundation adds new members, as we say thank you to those who terms have expired on the Foundation Board. We will have at least two opening on the Foundation Board for the upcoming school year. If you are interested in learning more about the Foundation or may be interested in serving on our Foundation Board as a Director, please feel free to contact me at 833-2500 or drop by the office when it is convenient for you. You may also contact me by email at bbales@kenwoodschool.org.

As always, thank you for your enthusiastic support of our school and community!

Box Tops for Education

Kenwood School continues to collect Box Tops for Education. Our next turn-in date is February 28. Please help us by cutting Box Top labels from food packaging your family uses and turning them in at the office or library. The money earned will be used to purchase more books for the library. We earned \$66 from our November submission.

Thank you.

Kenwood School Newsletter

Homework Club meets on Mondays from 3:05-3:45 in the Grade 4 or Grade 6 classroom.
