Ocean Guardians Announce Waste-Free Lunch Tomorrow

Tomorrow, Thursday, March 29, Kenwood School will be having a waste-free lunch. The Ocean Guardians are going to weigh the trash to find out how much we use and throw away. We ask you to try and minimize the amount of trash you bring to school. For example, bringing reusable water bottles instead of non-reusable water bottles that you throw away after one use. Another example is using reusable containers instead of plastic bags and wrappers. Every piece of trash reduced is another piece of trash saved from being put in the ocean.

We can save our oceans one piece of trash at a time!

STEAM Supplies

Kenwood Families,

Last week I took inventory of our STEAM Lab supplies and noted that we were low in a few areas. Our creations rely heavily on items that could be recycled or purchased at a low cost. Please help add to our depleted, recycled resources.

All items can be dropped off in fourth grade, the STEAM Lab, or in the STEAM Box located outside the front office.

THANK YOU!
