**Principally Speaking**

**May 2, 2018**

Our **School Site Council** is comprised of a group of parents and staff members who serve as the school/community representative body for determining the focus of the school's academic instructional program and all related categorical resources. Five parents are elected as members of the School Site Council to serve one or two year terms. In addition, the Superintendent/Principal, three teachers and one member of the classified staff also serve on the council.

The School Site Council meets 4-5 times during the school year on designated Wednesdays from 1:45-3:00 in the computer lab or library. If you would be interested in serving on the Site Council for the upcoming school year or would like additional information regarding the council, please feel free to contact me at 833-2500 or email me at [bbales@kenwoodschool.org](mailto:bbales@kenwoodschool.org).
