Principally Speaking

May 16, 2018

On behalf of all of our students and staff, a huge thank you to the many volunteers who assisted with last Saturday's "Lights, Camera, Auction" event to raise important funds for our Kenwood Education Foundation.

Our auction committee consisted of co-chairs Regina Rolland and Cheryl Ghisla. Other members of the committee who worked so hard to make this event a reality were Megan Seller, Jodie Spanger, Chris Tonelli and Peg Vancini. Of course, there were many others who pitched in to assist with other aspects of the event from planning to set up to clean up. Thank you to all of our volunteers who worked beyond requirement to make this event a success!

While all totals are preliminary at this point, it appears that our profits from the event are in the neighborhood of \$70,000. Our students will directly benefit from this event through the many programs that are supported by the Kenwood Education Foundation. Among the programs that will be funded through the Foundation for the upcoming school year are the following: Classroom Instructional Assistants, Library, Physical Education, Music, Art, STEAM, Kenwood Café lunch program, Preschool and Cougar Club. Thank you to our entire community for your invaluable support of this event and all of the other fundraising efforts
