

Kenwood School Newsletter

Principally Speaking

October 10, 2018

There will be an open seat on the Kenwood School District Board of Trustees beginning in December, 2018. Two board incumbents did not file for re-election in the upcoming November election. One community member (Nate Lamar) did file for one of the positions, leaving the remaining three trustees to appoint the fifth board member from any interested applicants in the community. Continuing board members are Pat Alexander, Robin Stoecker and Fran Threewit.

Potential candidates should submit a letter of interest to the Kenwood School District Board of Trustees listing their qualifications and reasons for wanting to serve on the School Board. The letter must be submitted to the Kenwood School District Office by November 1, 2018.

Board members serve a four year term, beginning in December, 2018 and serving through November, 2022. In order to serve as a trustee, a person must be at least 18 years old and reside within the district boundaries of Kenwood School. The responsibilities of a Board member include: Working with the Superintendent, fiscal oversight of the district budget, and monitoring district policies.

For more information, please contact Superintendent/Principal Bob Bales at 707-833-2500 or by email at bbales@kenwoodschool.org.

Dogs on Campus

On school days, dogs are not permitted on campus between 8:00 a.m. and 4:00 p.m. without the permission of the principal or school office.

Thank you.

Picture retake day will be on Thursday, October 25th.

AT & T Mark the Spot App Information

A parent has brought to our attention that there is an app from AT&T called AT&T Mark the Spot that allows you to report cell dead zones, dropped calls, etc. Some people have reported success from using the app near Glen Ellen. It seems to work best if there is a concerted effort from a group of people. The links are below:

iPhone: <https://itunes.apple.com/us/app/at-t-mark-the-spot/id338307313?mt=8>

Android: <https://play.google.com/store/apps/details?id=com.att.android.markthespot>
