December 5, 2018

This is a month that can be packed full of commitments that will leave one wondering how it is possible that we are already nearing the conclusion of the 2018 portion of our school schedule. With this in mind, please remember to reserve the date of Wednesday, December 19th. That is the day of our annual Holiday Performance for all grades from Preschool through Sixth. We will also have an opportunity to hear our Kenwood School Band perform for our parents and community. We will have a morning performance at 10:30 a.m. and an evening performance at 6:00 p.m. We look forward to continuing a wonderful Kenwood School tradition on Wednesday, December 19th.

I am pleased to announce that we will once again be offering **an after school Spanish class for any interested students in grades 1-3. The class, which will be held on Tuesdays and Thursdays from 3:15-3:50, will be taught by Mrs. Morrissey** (our 6th grade teacher and formerly our Spanish teacher). The initial offering of this class will begin after our Winter Holiday on Tuesday, January 8th and continue for a total of eight sessions, concluding on Thursday, January 31st.

If you are interested in signing your child up for this eight class session, please return the attached form to our office by December 20th. The cost for the class will be \$80 per child for the entire session.

We understand that our primary grade students are dismissed at 2:30 on the scheduled class sessions. Parents who will be in need of childcare for the period from 2:30-3:15 are welcome to contract with our after school "Cougar Club" for this period of time, as well as for the time following the class at 3:50. Please contact Jennifer Stenerson, our Cougar Club/Preschool office manager (833-6551), with any questions regarding the Cougar Club. Mrs. Morrissey will be escorting all students who are enrolled in the class from the Cougar Club to the classroom and back to Cougar Club at the conclusion of the class.

We are looking forward to offering this after school experience for any interested students in grades 1-3. As always, thank you for your support!

Lego Robotics

Open to ALL 4th through 6th
Grade Students!!!!

It's once again time for Kenwood School's Lego Robotics Program!

Lego Robotics will prepare students to compete against students from other Sonoma County schools with Lego-based robots they have built and programmed with the computer. Competition events include drag races, sumo-bots, and obstacle courses, among many others. Kenwood students will prepare for the competition with weekly meetings to get ready for the event on **Saturday, May 4, 2019**. If you like Legos, and you want to learn computer programming, this is the class for you!

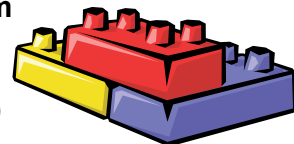

Lego Robotics sessions will meet weekly to prepare for the competition in May, either on Mondays OR Tuesdays beginning in January and February from **3:05 to 4:00**. In **March, April and May**, we will meet every Monday OR Tuesday from **3:05 to 4:30**.

This year there will be two separate groups, one on Mondays, and one on Tuesdays. Please indicate your preference for your child's meeting day on the form below.

There is a limit of 24 spots in this class— **if more than 24 student sign up, there will be a lottery to select participants.**

Also—we **need parent volunteers to help coach students throughout this program**. If you are interested in coaching (you don't need to have robotics or computer programming experience), please check the box on the form below. **We need at least 6 coaches to make this program happen!**

There is no charge for the class, only a small registration donation (usually about \$10) for the competition day, collected later.
