Principally Speaking

November 6, 2019

Thank you to all of our families for your patience and flexibility during our week away from school during the recent fires and power outages that have plagued our county. I appreciate the fact that we were able to return to school and still have a (belated) Halloween parade on Monday. At this juncture, we anticipate having to utilize our **“built in” emergency days on Monday, June 1st and Tuesday, June 2nd**. We will be petitioning the state to “waive” the other three days that we missed due to the fires in the county and the resulting evacuations. When we hear “official” word regarding this issue, we will alert our families.

I would like to remind all of our families that we will be holding our first trimester parent/teacher conferences beginning on November 13 and continuing through the 22nd, just prior to our Thanksgiving break.

As always, thank you for your support and have a great week!
