

Kenwood School Newsletter

Principally Speaking

October 21, 2020

Dear Parents,

I have several items to share with you regarding our upcoming activities as we prepare to head into November. First of all, our picture day has been confirmed for Friday, November 13 from 11-3. Parents may pick up packets at any time during this extended Friday time. Please see class schedule in today's newsletter.

As we near the end of the first grading period, I would like to remind everyone that we will be holding parent/teacher conferences (virtually) from November 12-20. During this time, teachers may not hold zoom instruction and provide independent work that is grade level appropriate. Teachers will be contacting families within the next couple of weeks to schedule your parent/teacher conference.

Our Kenwood Education Foundation "Read-A-Thon" has been pushed back to begin following the Thanksgiving break. The "Read-A-Thon" will take place from November 30 through December 4th. More information will be coming home in future newsletters regarding this Foundation sponsored event.

It is especially important during this year to take a moment to enjoy the beautiful weather and the feeling of fall in the air as we head into the final week of October. Thank you to all of our families who continue to provide support and encouragement to our children as we continue to successfully navigate our "distance learning" experience.

My Best,

Bob Bales
