Kenwood School Newsletter

Principally Speaking

November 12, 2020

Dear Kenwood School Families,

As we complete the first trimester of our school year, I would like to thank our teachers for doing a great job on report cards. Report cards will be shared during parent conferences and "hard copies" will be sent home on Friday, November 20th.

Thanks to St. Patrick's church for providing "Take a break" bags for each student in grades K-6. The bags are filled with items that will allow children to take a break from screen activities, whether school related or otherwise. Thanks to Laurie Boone Hogan from St. Patrick's church who has coordinated this event for our school, as well as for the students at Dunbar School in Sonoma Valley. "Take a break" bags will be handed out tomorrow as students arrive for packet pick up.

One final reminder that tomorrow will be our school picture day through the LifeTouch company. Please consult the class schedule to confirm the time for your child's class. Students are required to wear masks (we will provide them, as needed) prior to the taking of their picture.

Due to the predicted and likely rain, we will alter our plans to allow for parents to drive into the staff parking lot and onto the blacktop area in one line. Students are then to remain in cars and a staff member will be available to open car doors as the students will then line up (socially distanced) in the multipurpose room to await a turn for his/her photo. Another staff member will escort the student back to the car out a different door so that students will remain socially distanced during this procedure. We will have many staff members on hand to ensure that our picture day and packet pick up is coordinated as efficiently as possible for all concerned.

Please remember Christmas tree orders through KEF are due November 14, 2020.

My Best,
Bob Bales

Upcoming Events:

NEW DATE:	KEF Read-a-thon: Pledge drive begins - November 1, 2020
