Dear Kenwood School Families,

We are excited to welcome back our classes for five days of "in class" instruction on Monday, May 10th! Each classroom teacher will continue to offer "distance learning" for families who have chosen this option to complete the final 21 days of our school year.

We will continue to take temperatures at the front of the school as students arrive each day. We have, as previously shared, staggered our arrival and departure times to allow for the increased traffic flow during drop off and pick up. Please be mindful of the possible congestion on Randolph Avenue and in the circular area in the front of the school.

Please remember that school lunches by Chef Diana are available for purchase five days per week. Lunches will be delivered to each classroom for "grab and go" purposes. Recesses will be staggered so that classes may have the designated recess areas to themselves during our 20 minute morning break.

We will continue to emphasize the three feet of physical distance in all classrooms, as well as to continue with masks throughout the school day. Hand washing stations and/or hand sanitizer will be readily available in all classrooms.

We know that this return to school five days per week is exciting, but also may cause some anxiety for students and families, as we have not been together on campus to this degree since March of 2020. Please take the time to emphasize and reinforce our expectations for safety with your child. By working together, we can achieve our goal of a safe and productive return to five days of "in class" instruction.

On behalf of our entire staff, thank you to all of our families for your patience, understanding and support of our entire school community.

My Best,
Bob Bales

Our schedule beginning on May 10th will be as followed:
