Hello Kenwood Families,

Our students are working hard to be innovative and create during STEAM lessons. The lab is used for K-6th grade classes and we go through a lot of materials. I try very hard to create lessons where the focus is on found or recycled materials, and I am looking to replenish some of our supplies.

If you are able to contribute, please have your child(ren) bring items to school and deposit them in the STEAM bin by the office or in Mrs. Ehn's classroom.

We are collecting the following items:

Paper towel tubes	Yarn	Strawberry baskets
Fabric	Pipe cleaners	Duct tape of all types and colors
Small electronic items that can be taken apart (As we can't take everything, please check with Mrs. Ehn)	Boxes- packing, cereal, pasta	Yogurt containers
Paper towel rolls (please no TP rolls)	Shoe boxes	Packing materials
Wixi sticks	Yarn or ribbons	straws
pom-poms	Small plastic toys	Paper cups

Thank you,
Patricia Ehn
