Spring Break: March 17 - 21

Save the Date: KEF School Auction, May 17, 2025

Lego Robotics

Open to ALL 4th through 6th
Grade Students!!!!

It's time for Kenwood School's Lego Robotics Program!

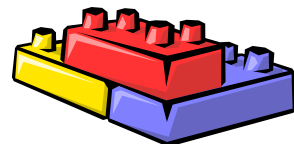

Lego Robotics will prepare students to compete against one another with Lego-based robots they have built and programmed with the computer. Competition events include drag races, and sumo-bots, along with others. Students will prepare for the competition with weekly meetings to get ready for the event on **Thursday, May 15th**. This year we will be having the competition for Kenwood School students only in the MPR during Open House. If you like Legos, and you want to learn computer programming, this is the class for you!

Lego Robotics sessions will meet weekly to prepare for the competition in May, either on Tuesdays OR Thursdays beginning in February from **3:05 to 4:00**. After spring break (beginning March 25th) we will meet every Tuesday OR Thursday from **3:05 to 4:30**.

This year there will be two separate groups, one on Tuesday, and one on Thursdays. Please indicate your preference for your child's meeting day on the form below.

There is a limit of 24 spots in this class— **if more than 24 student sign up, there will be a lottery to select participants.**

Also—we need parent volunteers to help coach students throughout this program. If you are interested in coaching (you don't need to have robotics or computer programming experience), please check the box on the form below. There is no charge for the class.

Lego Robotics Sign-Up Form—Tuesdays OR Thursdays 3:05-4:00 (March 25th—May 3:05-4:30)

Name: _____ Grade Level : 4 5 6

Preferred Meeting Day : (Circle One) Tuesday Thursday Either Day

Phone Number : _____ E-Mail Address : _____

Parent/Guardian Signature: _____

I am interested in volunteering as a coach. (You will be contacted with further details)

Please read the important reminders below:

By signing above, I agree that my child will be able to participate in the Thursday, May 15th, 2025 competition.

More than 3 non-illness related absences during practices or inability to attend the competition day may result in you child's spot being given to another student.

Please return this form to the office no later than Thursday, January 30th.

Students will be selected for the class by lottery and notified by January 31st. **Classes begin 2/4/2025**

**KSA invites you to the
KENWOOD**

**Friday
Jan 31st**

**Kenwood
Depot**

6pm to 8pm

Hello Kenwood Families,

Our students are working hard to be innovative and create during STEAM lessons. The lab is used for TK-6th grade classes, and we use many materials. I work hard to create lessons using low-cost or recycled materials and want to replenish some of our supplies.

If you can contribute, please have your child(ren) bring items to school and deposit them in the STEAM bin by the office.

We are collecting the following cleaned or unused items:

Paper towel tubes (wrapping paper tube)	Yarn	Strawberry baskets
Pool noodles	Pipe cleaners	Duct tape of all types and colors
2-liter bottles	Boxes- packing, cereal, pasta	Yogurt containers
Paper towel rolls (please, no TP rolls)	Shoe boxes	Packing materials- please no styrofoam
Crafting paper	Ribbons	Straws (unused)
pom-poms	Small plastic toys	Paper cups
Small working flashlights	Paper plates	Ziplock bag (any size)

Thank you,
Patricia Ehn
STEAM Teacher
