Dear Kenwood School Families,

As the end of the school year approaches, I want to reflect on what a wonderful year it has been. Our students have accomplished so much, and their growth and achievements have been truly inspiring. Just this week we celebrated the Hope of America recipients. Each year 2 fifth graders and 2 sixth graders are chosen to receive this award based on academic perseverance, leadership, and performance. This year the recipients were Sabine Maio and Cody Chapin in fifth grade and Emery Pooler and Huston Reedy in sixth grade. Last week we recognized the Read on Sonoma award recipients for reaching their individual goals for Accelerated Reader. Remarkably, every student at Kenwood School met their reading goal. This is the first time in Read on Sonoma's History, that a school has had 100% of its students meet their goal. On May 29th, we will celebrate the accomplishments of our truly amazing sixth graders during our annual Graduation Ceremony. Great job everyone.

I also want to take a moment to thank you for a wonderful school year filled with growth, learning, and countless moments of joy. To our students—never stop being curious, kind, and courageous. Keep reading, exploring, and finding new ways to learn, even outside the classroom. To our families—thank you for your unwavering support and partnership. Summer is a time to rest, recharge, and make memories together. I encourage you all to take time to laugh, play, and enjoy each other. We look forward to welcoming everyone back refreshed and ready for another amazing year. Until then, have a safe and joyful summer!

Warm regards,

Nate Myers
