The Board of Trustees recognizes the educational value of field trips as an integral part of the school curriculum for elementary pupils. Each class may have the opportunity to take at least one field trip per year. School bus transportation will be provided when funds are included in the District-adopted budget and buses are available; otherwise, transportation of field trips may be by the parents under the following conditions: (please initial each item)

____ **I volunteer** to drive my vehicle to provide student transportation for Kenwood School District student activities/events that are scheduled at sites away from the Kenwood School campus.

____ **I understand** that as the volunteer driver I must have the following minimum insurance with a private company and I must present my current policy to the school administration for verification.

____ **I further understand** that if my insurance coverage is less that the minimum requirements listed below, I will be able to drive only my own child.
